The Port previously received the money, but we were waiting for the work to be completed and verified. Skamania Acupuncture, and Skunk on payment plans and paying as agreed. Empress is behind on payments.

Facilities Update: Tenants are happy, no complaints. Projects - container showed up for the Red Barn storage. PCT group have moved out of the basement and we're ready to pour a concrete floor and reorganize the file room. The second dock section has been completed. We need to find a permanent location for the Clark and Lewie's dumpster. LDB entrance door to go in soon depending on weather. For the BRGC, we have received one refusal, and one bid for the roof project that needs to be completed.

Commission Update: Nothing to add; next EDC meeting is in April.

Executive Director Report: Reminder to all Commissioners that they are requested by the State to complete and submit their F-1 reports and let Stephanie know when they have been completed. Still haven't heard anything from USACE or Department of Commerce. Work continues on the Cascade Business Park.

WPPA spring conference is here in Stevenson at the Lodge of Skamania. We've been asked if we want to host a pre-event BBQ the evening beforehand. The question is, are we interested in it, and if so, we don't have a set budget pre-approved. Commissioner Broughton remarked that he believes it is worth it and any publicity is good publicity. A welcoming speech is to be given by the Commissioner's or Executive Director at event.
