**Public Comment:** None

**Consent Agenda:**

--MOTION—Commissioner Broughton made a motion; Commissioner Taylor seconded the motion to approve the consent agenda items 1 and 3 as presented. All voted in favor and the motion carried unanimously.

**Commissioner Updates:** Commissioner Broughton reported on the recent EDC virtual luncheon. FDM Development presented plans for the Rock Cove Project.

**Director's Report:** Director Albaugh brought the Commissioners up to date on the status of the Port's recent activities. Streetlights for Cascades Business Park have been ordered with an approximate cost of \$32,000. The city of North Bonneville has offered to store them until installation. The director asked the Commission for input on creating a lease agreement transferring operation of the WRBP water system to the County. The well's primary service is to the County properties. The consensus of the Commission is to proceed with drafting an agreement. Recently five referrals expressing interest in the WRBP areas have been directed to the County. Several inquiries were made in reference to Trout Creek Field property, they were informed that WRBU LLC has until April 20, 2021 to meet the requirements of their purchase agreement. Commissioner Taylor recommended a follow up letter be sent to the County restating the end of property management agreement.

Director Albaugh and Finance Officer Cindy Bradley will be attending the annual IACC and WPPA virtual conferences this week. Charlie Robertson and Associate from ACL will be stopping by the office tomorrow morning. Commissioner Kingston will attend.

**Facilities Report:** Facilities Manager Doug Bill reported on the Port's office reconfiguration. He expects the project to be completed by the 30<sup>th</sup>. In the past month several small water leaks have been reported in the Tichenor, Skye Building and River Point buildings. The new trail lights were installed. There were three pipe breaks this past month. The new irrigation system at the commercial lot has been working well. Direct property access has been installed at 380 Evergreen in North Bonneville for a new tenant. The transient dock at the boat launch has been pulled out, it was noted in tough shape. The F350 pick up has been prepped for a new snowplow and a small plow bought for the John Deere tractor.

**Attorney's Report:** Attorney Woodrich reported that he has been meeting with the County under the previous Port/County/ Forest Services agreement working toward establishing a protocol to set rates.

**Finance Report:** Finance Manager Cindy Bradley noted the September Revenues and expenditures. Presently there is one delinquent tenant. Commissioner Kingston asked for payment clarifications for Hafford Construction. It was noted that there are two contracts for Hafford Construction.

**Budget:** Finance Manager Cindy Bradley outline the process used to draft the preliminary budget. The Port has taken a conservative stance on estimating the revenue assumptions at full lease rate assuming the COVID-19 rent reductions will cease. Expected expenditure estimations were reviewed. The Budget Hearing is scheduled for the November 17, 2020 meeting.
