Program Specific Terms and Conditions

As identified herein, notwithstanding General & Specific Terms and Conditions SECTIONS, the following Program Specific Terms and Conditions take precedence over any similarly referenced Special or General Terms and Conditions:

1. BILLING AND COMPENSATION FOR PERFORMANCE BASED CONTRACT (Replaces Special Terms and Conditions #3 Billing Procedures and Payment)

COMMERCE will pay Contractor not more often than monthly upon acceptance of services provided and receipt of properly completed invoices for completed milestones, which shall be submitted to the Representative for COMMERCE.

The Contractor shall provide the Representative of COMMERCE a signed electronic Invoice A19 form that includes the contract number referenced on the declarations page.

The invoices shall describe and document, to COMMERCE's satisfaction, a description of the work performed and the milestone number(s) achieved.

The Contractor is required to maintain documentation to support invoiced costs and cost share obligations. The Contractor shall make these documents available to COMMERCE if requested.

COMMERCE will pay Contractor the amounts set forth in Attachment B upon full completion of each milestone. Upon full completion of each Milestone, Contractor will provide an invoice and any required supporting documentation to the Representative of COMMERCE. Except as may be agreed by COMMERCE in its discretion, COMMERCE shall only be obligated to make payments upon demonstration of completion of all Deliverables within a given Milestone. However, it is acknowledged that in the event one or two Deliverables of a Milestone is unduly delayed (more than 3 months) due to circumstances outside Contractor's control, COMMERCE may, in its sole discretion, reasonably negotiate with Contractor regarding paying for those Deliverables of such Milestones that are completed.

Payment shall be considered timely if made by COMMERCE within thirty (30) calendar days after receipt of properly completed invoices. Payment shall be sent to the address designated by the Contractor.

COMMERCE may, in its sole discretion, terminate the Contract or withhold payments claimed by the Contractor for services rendered if the Contractor fails to satisfactorily comply with any term or condition of this Contract.

No payments in advance or in anticipation of services or supplies to be provided under this Agreement shall be made by COMMERCE.

Invoices and End of Fiscal Year

Invoices are due on the 20th of the month following the provision of services.

Final invoices for a state fiscal year may be due sooner than the 20th and Commerce will provide notification of the end of fiscal year due date.

The contractor must invoice for all expenses from the beginning of the contract through June 30, regardless of the contract start and end date.

Duplication of Billed Costs

The Contractor shall not bill COMMERCE for services performed under this Agreement, and COMMERCE shall not pay the Contractor, if the Contractor is entitled to payment or has been or will be paid by any other source, including grants, for that service.

Disallowed Costs

The Contractor is responsible for any audit exceptions or disallowed costs incurred by its own organization or that of its subcontractors.

2. INSURANCE (Replaces Special Terms and Conditions Section #6 Insurance)

The Contractor shall provide insurance coverage as set out in this SECTION. The intent of the required insurance is to protect the State should there be any claims, suits, actions, costs, damages or expenses arising from any loss, or negligent or intentional act or omission of the Contractor or Subcontractor, or agents of either, while performing under the terms of this contract. Failure to maintain the required insurance coverage may result in termination of this Contract.

The insurance required shall be issued by an insurance company authorized to do business within the state of Washington. The insurance shall name the state of Washington, its agents, officers, and employees as additional insureds under the insurance policy. All policies shall be primary to any other valid and collectable insurance. The Contractor shall instruct the insurers to give COMMERCE thirty (30) calendar days advance notice of any insurance cancellation, non-renewal or modification.

The Contractor shall submit to COMMERCE within fifteen (15) calendar days of a written request by COMMERCE, a certificate of insurance which outlines the coverage and limits defined in this insurance section. During the term of the Contract, if required and requested, the Contractor shall submit renewal certificates not less than thirty (30) calendar days prior to expiration of each policy required under this section.

The Contractor shall provide, at COMMERCE's request, copies of insurance instruments or certifications from the insurance issuing agency. The copies or certifications shall show the insurance coverage, the designated beneficiary, who is covered, the amounts, the period of coverage, and that COMMERCE will be provided thirty (30) days advance written notice of cancellation.

The Contractor shall provide insurance coverage that shall be maintained in full force and effect during the term of this Contract, as follows:

Commercial General Liability Insurance Policy. Provide a Commercial General Liability Insurance Policy, including contractual liability, written on an occurrence basis, in adequate quantity to protect against legal liability arising out of contract activity but no less than \$1,000,000 per occurrence. Additionally, the Contractor is responsible for ensuring that any Subcontractors provide adequate insurance coverage for the activities arising out of subcontracts.

3. SUBCONTRACTING (Replaces General Terms and Conditions #37 Subcontracting)

The Grantee may only subcontract work contemplated under this Contract if it provides written notification to COMMERCE of any subcontractors who will be performing work under this Grant Agreement. The written notice must provide the names and address of the subcontractor with a brief description of which tasks within the Grantee Scope of Work (Attachment A) that will be undertaken by the subcontractor(s).

The Grantee shall maintain written procedures related to subcontracting, as well as copies of all subcontracts and records related to subcontracts. For cause, COMMERCE in writing may: (a) require the Grantee to amend its subcontracting procedures as they relate to this Contract; (b) prohibit the Grantee from subcontracting with a particular person or entity; or (c) require the Grantee to rescind or amend a subcontract.

Every subcontract shall bind the Subcontractor to follow all applicable terms of this Contract. The Grantee is responsible to COMMERCE if the Subcontractor fails to comply with any applicable term or condition of this Contract. The Grantee shall appropriately monitor the activities of the Subcontractor to assure fiscal conditions of this Contract. In no event shall the existence of a subcontract operate to release or reduce the liability of the Grantee to COMMERCE for any breach in the performance of the Grantee's duties.

Every subcontract shall include a term that COMMERCE and the State of Washington are not liable for claims or damages arising from a Subcontractor's performance of the subcontract.

All reference to the Grantee under this clause shall also include Grantee's employees, agents or subcontractors.

- state the disputed issues;
- state the relative positions of the parties;

The Director or designee shall review the written statements and reply in writing to both parties within ten (10) working days. The Director or designee may extend this period if necessary by notifying the parties.

The decision shall not be admissible in any succeeding judicial or quasi-judicial proceeding.

The Contractor's obligation to indemnify, defend, and hold harmless includes any claim by Contractor's agents, employees, representatives, or any subcontractor or its employees.

The Contractor's obligation shall not include such claims that may be caused by the sole negligence of the State and its agencies, officials, agents, and employees. If the claims or damages are caused by or result from the concurrent negligence of (a) the State, its agents or employees and (b) the Contractor, its subcontractors, agents, or employees, this indemnity provision shall be valid and enforceable only to the extent of the negligence of the Contractor or its subcontractors, agents, or employees.

Notwithstanding any provision to the contrary, in the event of Agreement termination or suspension for engaging in discrimination, GRANTEE, subcontractor, or both, shall be liable for contract damages as authorized by law including, but not limited to, any cost difference between the original Grant and the replacement or cover Grant and all administrative costs directly related to the replacement Grant, e.g., cost of the competitive bidding, mailing, advertising and staff time, which damages are distinct from any penalties imposed under Chapter 49.60, RCW. GRANTEE may also be required to repay grant funds pursuant to Section 31 (Recapture) of the General Terms & Conditions if the Agreement is terminated based on a violation of the nondiscrimination requirement. COMMERCE shall have the right to deduct from any monies due to GRANTEE or subcontractor, or that thereafter become due, an amount for damages GRANTEE or subcontractor will owe COMMERCE for default under this provision.

Attachment A: Scope of Work

Project Overview:

Port of Skamania County and Energy Northwest will install one Level 2 charger and one DCFC charger at the Stevenson Library in Stevenson, Washington. The chargers will be operated by Energy Northwest and will be available for public use. The site is located in close proximity to SR-14 and will be a convenient location for travelers. The increased number of tourists stopping to use the chargers is expected to also benefit local businesses.

This project will address the limited EVSE currently available in Skamania County and will create a network of publicly available EV chargers, accompanied by the simultaneous EV charging installations in City of Goldendale and City of Bingen.

Project Development, Design, Permitting:

Project Design: The site for the project has already been determined based on traffic count data and the close proximity to SR-14. Energy Northwest will hire an Engineering firm to design and develop the site plans and obtain necessary permits.

Construction: A subcontractor will be selected by Energy Northwest through a competitive bid process to construct the site. The contractor will install the EV chargers, concrete pads, and work closely with the PUD to install needed electrical switchgear and transformer.

Community engagement and outreach: Through calls and letters of support, community members have already voiced a desire for EV charging options. Continuing engagement will include discussions at Port meetings where community feedback will be encouraged.

Equipment Procurement and Delivery:

One Level 2 charger and one 100kW DCFC charger will be installed. All equipment installed will have a lifespan of at least five years, and will include a minimum one-year network and maintenance plan.

Utility Upgrades:

Energy Northwest will be purchasing the materials related to utility upgrades, which will include line extensions, new transformers, conduit and electrical cable, integrated panelboards, meter bases, and electrical switchgear. Transformer upgrades will also be done, if needed to support the chargers.

Construction and Commissioning:

Once construction is complete, the construction subcontractor will coordinate with Energy Northwest and the charger manufacturer to test and commission the chargers for use. The

chargers will be available on the Department of Energy's Alternative Fuels Data Center (AFDC).

Measurement and Verification:

Once the chargers are online, usage data will be collected and a six-month summary report will be provided as part of the Final Report. The final report may also include a summary of the work that was completed for this project, adjustments that were made, feedback received from community engagement, or lessons learned.
