Call to Order: Commissioner Collins called the meeting to order at 3:00 pm.

Public Comment: Lauren Lepage of August Camp would like the 90 day cancelation clause removed. They have operated this camp for 129 years and it takes a full year to prepare for the event. They have never cancelled the event. They do not want the Port to have the authority to cancel. Ken Woodrich advised the Port could revise the lease agreement and remove the clause before the parties sign the final agreement. The Commissioners will have staff make that revision before final documents are signed.

Jay Elder introduced himself as a resident of Washougal and an applicant for the Executive Director position.
