Unfinished Business/Director’s Report: Presented by Randy Payne

1. **Tenant Updates:** Beacon Rock Golf Course has a few issues including the need to update their front deck. Doug mentioned he can work on this when the season slows down.

2. **Wind River Business Park Port-Skamania County Memorandum of Understanding:** Nothing official has been received from the County. Ken Woodrich has talked with Adam Kick. Monica asked what to tell tenants when they inquire about where to make their September lease payments. Ken Woodrich and the Commissioners advised to invoice September’s rent and continue managing the property until something official is received. After discussion around the ADA restroom update it was decided to have the Port go forward with that project. Commissioner Breeding reminded the others that the Port had made a commitment to Don Fisher of Windy River Research LLC. Randy mentioned the water project bids are due Thursday August 25 at 4:00 pm.

3. **Recording Commission Meetings/Meeting Time Discussion:** Tabled.

4. **Executive Director Recruitment:** To be discussed in executive session.

5. **Finance Manager Recruitment:** The ad is out.

6. **Minutes Taker:** The Port received interest including from Somer Meade.

New Business: First Street Stop Signs: Randy presented the idea of a letter of support from the Port to the City of Stevenson for retaining the east/west stop signs on First Street. Commissioner Breeding acknowledged that the tenants benefit from the stop signs, but the Commissioners decided to have the Port encourage tenants attend future city public meetings regarding the subject rather than the three of them taking a stand.

Commissioner Kingston seconded the motion; the motion carried.
