A schedule of budget meetings will be ready at next meeting for planning the 2013 budget.

**Unfinished Business/Director’s Report:** Presented by John McSherry

1. **Tenants update:** Staff continues to monitor two tenant delinquent lease payment workout plans. There was discussion about how the Port handles delinquent payments.

   Gorge Delights agreed to move their offices within the Discovery Building to accommodate Art of Motion as a co-tenant (see Admin Approvals).
2. **Strategic Planning:**
   
   **Wind River Business Park (WRBP):** A tenant is seeking to expand and looking for assistance; John referred the tenant to the EDC and asked for a proposal of the expansion plan and assistance request for the Commission to review. The Port would need to set up a temporary office with restroom and lunchroom facilities.

   **Cascades Business Park:** John discussed an update from USGS CRRL (Columbia River Research Lab)—they work with GSA (US General Services Administration) to source a new site/facility for them. GSA will look for sites within 50 miles of current USGS facilities to avoid cost related to relocating staff.

   A second change order will be required with HDJ for additional construction inspection work and design work for the easement with the Corps of Engineers.

3. **Wavebreak:** John and Ken will research the statute of limitations.

4. **Beacon Rock Golf Course:** John is drafting an RFP (request for proposal). It is based on the Port of Olympia’s since they also lease out a golf course they own. The RFP will be distributed through PGA’s listserv and advertised locally for one month; responses will be evaluated in late October with a new effective date of January 1, 2013.

**New Business:** A discussion occurred regarding a potential yearly lease for 126 SW Cascade Avenue, the LBH.

**Executive Session:** Commissioner Waters called for an Executive Session from 5:20 pm to 5:30 pm for 10 minutes per RCW 42.30.110 (c) To consider the minimum price at which real estate will be offered for sale or lease when public knowledge regarding such consideration would cause a likelihood of decreased price. However, final action selling or leasing public property shall be taken in a meeting open to the public.

No decisions were made.

**Adjournment:** The Chairperson adjourned the meeting at 5:41 pm.

**Next Meeting:** The next regularly scheduled meeting of the Board of Port Commissioners is September 11, 2012, 3:00 pm, at the Port office conference room: 212 SW Cascade Avenue, Stevenson, Washington. Commissioner Bolstad will be unavailable.
